Senator Jordan of the 6th offered the following amendment:

Amend Committee Substitute to SB 131 (LC 39 2170S) by:

Inserting the following after line 135:

(f) Any communications between the authority members, staff, and agents and members of the Georgia General Assembly shall be subject to the Georgia Open Records Act. No member of the Georgia General Assembly may seek to influence the actions of the authority in the granting or denial of a contract or any other government action by the authority. A violation of this provision shall be an aggravated misdemeanor, punishable by a fine not to exceed \$5,000 or one year in prison.

(g) No member of the Georgia General Assembly may have a direct, indirect, or familiar ownership interest in a company doing business with the authority. It shall be the duty of each member of the Georgia General Assembly to disclose such relationships. If any relationships are disclosed, the company subject to disclosure must, within 60 days, cure the conflict of interest by either divesting the ownership interest in the business or terminating the contract with the authority.

(h) No business which has made a campaign contribution to a member of the Georgia General Assembly or the Atlanta City Council may provide goods or services to the authority. For purposes of this provision, "campaign contributions" shall be considered any contribution made to support or oppose a candidate for the Georgia General Assembly or the Atlanta City Council by an owner, officer or agent of a company doing business with the

authority.
